From the desk of Mrs. Carson

Welcome to my class- I realize that the first day of school can be a bit overwhelming to begin with, let alone being off-site... and particularly daunting to find all of your teachers digitally. So we all will demonstrate our flexibility and grace as we begin this school year. I will be meeting in my zoom room for all PE classes. You can find me there at the start time of each class. The link to my zoom room is found on the accompanying flyer. I hope that you have had a chance to visit my website and add yourself to the google classroom specific to your course. If you have not, please take the time to do those things before the 2nd day of your class. Please feel free to email me with any questions, I am here to help! See you all day 1 in my zoom room.

Mrs. Carson
